Hawk Basketball Camps
June and July Weeks

Camp Philosophy

The Hawk Basketball Camp will place a great emphasis on the fundamentals of basketball. We believe the off season (especially summer) is the time players need to focus on skill development. Our camp will stress shooting, dribbling, passing and offensive team play. To succeed in basketball a player must master the fundamentals.

2009 Hawk Basketball Camps

To Parents:

Due to our recent economic situation we have reduced the cost of all of our camps. Families, schools, and businesses have all been forced to make cut backs. We appreciate many of you who have sent your son (s) and daughter (s) to our Hawk Camps. We hope this will help your situation if attending a basketball camp is still in your plans. What we also promise is the level of instruction and positive camp/basketball experience will not be reduced.

Thanks,

Wally Vickers

To All Young Players and Future Hawks,

We are excited about our summer camp plans.

Our summer camp will place an emphasis on offensive fundamentals. Summer is the time when your shooting, passing and dribbling skills need to improve. We will also learn offensive and defensive team concepts that are important for success.

Our future at East High School is very bright. Our camp staff will consist of East coaches and players. If you love basketball like we do you need to sign up for a week of camp. Join us as we prepare to win another GMC Championship.

Hope to see you in the gym!

Coach Vickers
